Event Overview

▶ Title
Busan International Machinery Fair | BUTECH 2025

▶ Slogan
“Smart Manufacturing, Dreaming of Future Innovation”

▶ Objectives
To advance the nation’s machinery industry and revitalize the regional economy through a comprehensive international manufacturing exhibition;
To establish the Southeast Economic Zone (Busan, Ulsan, and Gyeongnam) as a global machinery industry hub;
To expand market opportunities and enhance corporate vitality for regional machinery manufacturers; and
To improve corporate productivity through the adoption of advanced machinery and equipment.

▶ Dates
Tuesday, May 20 - Friday, May 23, 2025 | 4 days

▶ Venue
BEXCO, Busan, South Korea

▶ Exhibitors
536 exhibitors from 31 countries (374 domestic, 162 international) | 1,845 exhibition booths

▶ Visitors
61,778 visitors from 19 countries (61,019 domestic, 759 international)

▶ Hosts
Busan Metropolitan City, Busan Machinery Industry Cooperatives, and Busan Gyeongnam Die & Mold Business Cooperative

▶ Organizer
Korea Industrial Marketing Institute

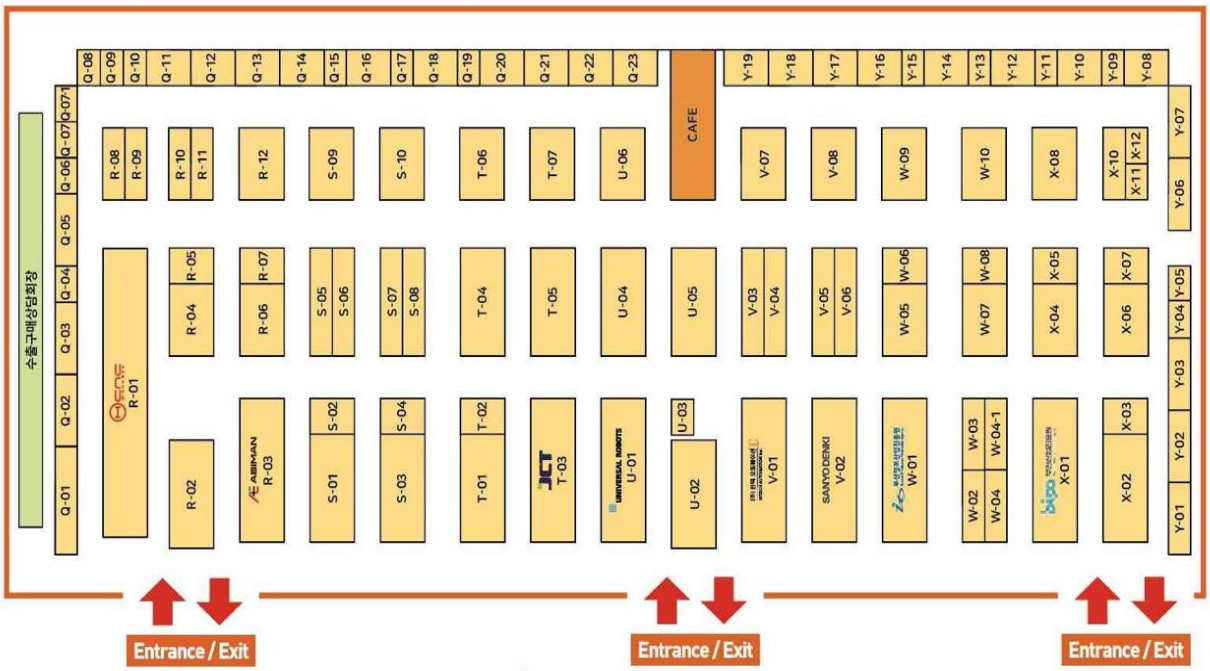

▶ Sponsors
Ministry of Trade, Industry and Energy (MOTIE), Ministry of SMEs and Startups (MSS), Korea Federation of SMEs (K-BIZ), Korea Industrial Complex Corporation (KICOX), Korea Institute of Machinery & Materials (KIMM), Korea Federation of Machinery Industry Cooperatives (KOMICO), and Busan Chamber of Commerce and Industry (BCCI)

Floor Plan

Busan International Machinery Fair
BUTECH 2025

Exhibition Center 1 - Machinery Technology, Mold, Plastics, Tools, Parts & Materials, Hydraulics & Pneumatics, Transport & Logistics, Environment & Energy, Root Industries

Exhibition Center 2 - Factory Automation, Robotics & Robot Industry, Smart Factory Solutions, 3D Printing

▶ Robotic Welding Seminar 2025

Date, Time & Venue	Wednesday, May 21, 2025 ｜ 10:00-17:00 ｜ Rooms 211-213, Exhibition Center 1, BEXCO
Host	Korean Welding and Joining Society, Association of Korean Welding Professional Engineers
Organizer	KWJS Southeastern Chapter, PKNU Center for Welding Technologies for Convergent Components & Materials
Theme	Case Studies of Robotic Welding Technology Applications
Attendees	150

Session	Topic	Speaker & Affiliation
Session 1	Opening Speech: Prof. Kang Nam-hyun, President, Korean Welding and Joining Society	
	Congratulatory Speech-1: Sung Ki-in, President, Busan Machinery Industry Cooperatives	
	Congratulatory Speech-2: Park Young-do, Vice President, Association of Korean Welding Professional Engineers	
Session 2	Current Trends and Future Technological Vision of AI-converged Autonomous Welding Systems	Hong Sung-ho, Senior Researcher, Korea Institute of Robotics & Technology Convergence
	Introduction to Collaborative Robots for Welding Applications	Choi Yun-seo, Master | Jeong Myung-seok, Manager, Strategic Business Planning Office, Neuromeka
	Industry-Specific Applications of Hanwha Robotics Welding Robots	Jung Byung-chan, CEO | Kang Tae-hoon, Manager, Hanhwa Robotics
	Development of AI-Powered Object Recognition Algorithms for Robotic Welding	Park Young-hwan, Professor, Dept. of Mechanical Engineering, Pukyong National University
Session 3	Key Values and Requirements for Collaborative Robots in Welding Environments	Hong Ji-woong, Team Lead, Robot Control System Team, Automation and Innovation Center, HD Hyundai Samho
	Importance of Process-Driven Solutions in Implementing Robotic Welding	Jang Kyung-bok, Senior Director, StarWelds
	CE Supplier Robot Welding Vision 2030	Song Jun-hyuk, Senior Manager, Volvo Group Korea Purchasing SD
Session 4	Concluding Discussion	All Presenters

▶ Toyota Quality Process and Immediate Action Program

Date, Time & Venue	Wednesday, May 21 - Thursday, May 22, 2025 | 10:00-17:00 | Rooms 214-215 Exhibition Center 1, BEXCO
Host	J&K Total Service
Organizer	Korea Industrial Marketing Institute
Agenda Items	- Seminar on Smart Factory Case Studies by Japan's Leading SMEs - Special Seminar on the Quality Management Processes: Learn from Toyota Lexus - Toyota On-Site Process Improvement Workshop for Immediate Action
Attendees	100

▶ Laser Processing Technology Exchange Forum

Date, Time & Venue	Tuesday, May 20, 2025	13:00-15:00	Rooms 214-215 Exhibition Center 1, BEXCO
Organizer	KIMM Busan Laser Technology Support Center
Agenda Items	- Gathering Industry Stakeholders' Feedback to Commercialize Laser Processing Technology - Addressing Industry Stakeholders' Challenges and enhancing Global Market Competitiveness - Establishing an Industry–Academia–Research–Government Networking and Exploring New Collaboration Opportunities
Attendees	50

▶CES Innovative Technology Seminar

Date, Time & Venue	Tuesday, May 20, 2025	13:00-16:00
Organizer	Busan IT Industry Promotion Agency, The Milk, mapsea
Agenda Items	- Introduction to CES Innovation Awards Consulting Program - CES 2025 Trend Review - CES 2025 Innovation Award Winners: Case Studies
Attendees	150

▶ Conference of the Korean Society of Mechanical Engineers

Date, Time & Venue	Wednesday, May 21 - Friday, May 23, 2025	10:00-17:00	Conference Room 3F, BEXCO
Host	Korean Society of Mechanical Engineers
Agenda Item	2025 Spring Conference of the KSME Biomedical Engineering Division
Attendees	400

▶ New Products and Technologies Showcase

Date, Time & Venue	Tuesday, May 20 - Friday, May 23, 2025	10:00-17:00	Conference Room, BEXCO
Presenters	Busan Gyeongnam Die & Mold Business Cooperative, Hyundai Motor Company, Woojin Plaimm, etc.
Theme	Growth Strategies Through Smart Manufacturing Technologies and AI
Agenda Items	- Industry-Academia-Research Networking for Die & Mold in Busan - Hybrid Physical Foaming - Smart Injection Molding and AI Application - Strategies for Establishing and Operating Smart Factories for Manufacturing Innovation
Attendees	500

Date	Topic	Organizer	Venue
